### In your opinion, what land use description should have been attributed to the land?

- Residential:** Including the use of land as a dwelling (includes both rural and urban land)
- Vacant:** The non-use of the land constitutes a vacant land use
- Commercial:** Includes the use of land as a shop, office or other commercial operations
- Industrial:** Including the use of land for production and manufacturing
- Primary Production:** Including the use of land for farming and intensive animal keeping
- Other:** Any other land use not referred to in a previous category
